

A photograph of a business meeting. Several people in light-colored shirts are gathered around a desk. One person is using a laptop, while others are looking at documents and charts. The scene is brightly lit, suggesting an office environment.

**GJC**

**5 Day  
Business  
Discovery  
Workshop**

# PRE DAY 1 – Information request / DAY 1 – Information review

**In order to help and support your business growth going forwards we need to understand where you are in the here and now.**

Our associates carry out in dept review of your current business with you to really get under the skin of it all.

# DAY 2 – Business Discovery Session

The next 2 days are all centred around understanding your aspirations for the business and are split into the following 4 Q & A sessions

## AM

- Business Goals
- Pain Points
- Priority Focus Areas

## PM

- High Level Goals
- Strategic Goals

# DAY 3 – Business Discovery Session Continued

## AM

- Milestones & Actions
- Monthly Business review
- Systems & Workflow

## PM

- Employee Engagement
- Performance Culture

# DAY 4 – Report Writing

This is where we take all of our learnings from the last 3 days and use the MAUS software to help develop a detailed strategic plan for your business.

**This includes an:**

- Executive Summary
- Development Plan
- 90 Day Hot issues action plan

# DAY 5

**The final day is a Report & Presentation Playback Session. Our aim is to present the findings on a high level first, giving you the client a good overview of the results.**

Followed by a presentation of the detailed report, our associates spend a significant amount of the time reviewing the action plans and agreeing next steps.
