Post Covid the hospitality sector has experienced a staff and skills shortage.

Do you want to retain the team you do have and to develop their skills, whilst operating a fast-paced business? We recommend you make a smart investment in your team to turn things around and set yourself up for the future by developing and creating potential and future management team members within your current structure.

Our 12-month management development program is built around 12 high impact modules and supported with an interactive evidence based Personal Development Plan.

1. Becoming a Manager	7. Recruitment and Selection
2. Effective Duty Management	8. Customer Service Excellence
3. Food and Beverage Management	9. Maintenance and Asset Management
4. Front of House Management	10. Feedback and Appraisal strategies
5. Cleaning Management	11. Health and Safety
6. Finance and Direct Cost Control	12. Operational Excellence
